We are very excited that you chose The Cottages as the accommodation for your Salt Spring Island getaway. Year round, Salt Spring Island is a great escape whether you are looking for an adventure or a relaxing retreat. The Cottages provides your perfect home away from home for your vacation.

We have put together a list of FAQ that we hope will help you feel more prepared for your stay with us:

Can I please check in early or have a late check-out? Early check-ins or later check-outs are only available upon request and are subject to business levels. Please email [info@cottagesonsaltspring.com](mailto:info@cottagesonsaltspring.com).

Is there parking in front of my cottage? Yes! There is space for 1 vehicle in front of your cottage. Overflow parking is located at the top of the resort.

Are your cottages pet friendly? If you are bringing a furry friend along with you, ensure that you are booking into the correct unit type. We also ask guests to pick up after their pets and please keep them on a leash. Our pet fee is \$10 per night per pet.

Can I bring a BBQ? Propane fire pit? Campfires? We don't allow any open burning on site, nor do we allow propane fire pits or BBQs on the decks of the cottages. We do provide two complimentary BBQs for guest use at the designated BBQ hut. Due to our grassy landscape and cedar clad buildings, fire safety is very important to us.

Can I reserve the canoes/SUP? The water

equipment is first come, first serve for the guests of the Cottages and equipment may not be taken off the property. You must sign a waiver prior to using this Recrational Waiver Form

Do you have pack and plays or high chairs? Yes!

We have a few we can offer for guests to use.

Please let us know ahead of time if you require one.

What supplies do the kitchens have? The kitchens are stocked with basic cooking supplies and utensils and have a stove, oven, microwave and fridge. If you need any special equipment, we encourage you to bring it with you. There is salt and pepper, but no oil, butter, etc. We also provide you with a small bag of Salt Spring coffee to enjoy, but make sure you bring your own coffee fix-ins! Coffee machines are drip style.

Is there a smoking area? The Cottages is a no smoking property except for a small designated smoking area in the over flow parking area by the entrance gates. Anyone found smoking outside this area will be charged a \$500 fee.

Is there WiFi in the cottages? Yes! There is Shaw high-speed wifi access in every cottage. All you have to do is connect to the wifi corresponding to the cottage number. Keep in mind we are on island time and even the internet and cell reception can have their slow moments.

Do the cottages have pull-out couches?

Unfortunately, they do not.
